Comments:

Draft Proposal is Inadequate
I do not approve of drilling below Wilcox Aquifer
It will have a long term accumulative effect
We want a legal guarantee that the water will stay pure.
Have additional monitoring

DO NOT CONTAMINATE OUR LAND AND GROUND WATER

Not well thought out proposal.

Where does the water come ^{from} ~~from~~ for 25 years?!

THE TOXINS NEED to be dealt with,
Survivors into the future

Huge wildlife impact
